Wholesale Trade
List

Winter - Spring
1933-34

Boyd Nursery Co.

Located Just Across New Bridge on Manchester Pike No. 55-A
McMinnville, Tennessee

TO THE TRADE:

We are happy to present you herewith wholesale prices on the nursery stock which we are growing and offer for sale to the wholesale trade.

We do appreciate the nice orders that have been given us by some of the nurserymen, and assure you that we will endeavor to do our very best to send you quality plants, fully up to grade, and at reasonable prices.

Fall prices remain low, with few changes. We feel confident, however, that the Spring of 1934 will show an advance in prices, and it would seem good business to cover your spring requirements now, so as to take advantage of the low cost.

The prices published in this list are subject to change without notice, and are made for immediate acceptance. They may be increased to cover any taxes upon sales and to comply with nurserymen's code when finally adopted.

Yours truly,

BOYD NURSERY COMPANY,

F. C. BOYD, Manager.
